RESOLVED, That a special legislative commission be and the same is hereby created
consisting of eleven (11) members: one of whom shall be a member of the Senate, appointed by
the President of the Senate; one of whom shall be a member of the House, appointed by the
Speaker of the House; one of whom shall be the Director of the Department of Environmental
Management, or designee; one of whom shall be the Director of the Rhode Island Old Growth
Tree Society, or designee; one of whom shall be the Executive Director of the Rhode Island
Natural History Survey, or designee; one of whom shall be the State Director of The Nature
Conservancy in Rhode Island, or designee; one of whom shall be the Executive Director of the
Audubon Society of Rhode Island, or designee; one of whom shall be the Executive Director of
the Rhode Island Land Trust Council, or designee; one of whom shall be a certified arborist, to be
appointed by the Urban and Community Forestry Coordinator; and two (2) of whom shall be
members of local land trusts, one of whom shall be appointed by the President of the Senate, and
one of whom shall be appointed by the Speaker of the House.

In lieu of any appointment of a member of the legislature to a legislative study
commission, or any commission created by a General Assembly resolution, the appointing
authority may appoint a member of the general public to serve in lieu of a legislator.

The purpose of said commission shall be to make a comprehensive study and review of
Rhode Island’s old growth forests and provide recommendations for the preservation and
protection of these natural habitats. The study shall include, but not be limited to:
• Identify and map the locations of Rhode Island’s old growth forests, rare forest ecosystems, and if possible, areas of most environmentally sensitive land and/or water worthy of preservation in its natural condition;

• Formulate advisory policies and plans to protect the state’s old growth forests, rare forest ecosystems, and areas of most environmentally sensitive land;

• Provide advisory policies, plans, and recommendations related to the preservation and protection of the state’s old growth forests; and

• Surveying forests scheduled for forestry operations on state and municipally owned land that includes timber harvesting, cutting, girdling, burning, or any alterations to the forest before the forestry operation takes place to determine if there are any old growth forests in the area that could be threatened by the forestry operation. If an old growth forest is found, the commission may make advisory policies, plans, or recommendations for the old growth forest to be protected and not disturbed by the forestry operation; and

Forthwith upon passage of this resolution, the members of the commission shall meet at the call of the President of the Senate and Speaker of the House, and shall organize and select a chairperson or co-chairpersons from among the members.

Vacancies in said commission shall be filled in like manner as the original appointment.

The membership of said commission shall receive no compensation for their services.

All departments and agencies of the state shall furnish such advice and information, documentary and otherwise, to said commission and its agents as is deemed necessary or desirable by the commission to facilitate the purposes of this resolution.

The Joint Committee on Legislative Services is hereby authorized and directed to provide suitable quarters for said commission; and be it further

RESOLVED, That the commission shall report its findings and recommendations to the Senate and House on or before August 18, 2023, and said commission shall expire on December 31, 2023.
