3 **31-10-19. Driver education — Traffic safety education. [Contingent amendment; see**
4 **other version.]**

5 (a) The community college of Rhode Island shall provide thirty-three (33) hours of
6 classroom instruction for applicants or prospective applicants, not more than twenty-one (21) years
7 of age for a limited instruction permit or license. The instruction shall include eight (8) hours,
8 specifically for instruction on the effects of alcohol and drugs on a driver, and the instruction shall
9 be given by a person eligible for a teacher's certificate issued under the authority of the state board
10 of regents and which course of instruction shall be approved by the board of governors for higher
11 education. In case of emergency, the president of the community college of Rhode Island may
12 declare, when no certified instructor is available to teach, an individual eligible to teach at the
13 community college of Rhode Island who has taken the required course of instruction in driver
14 education, may provide driver education instruction. All driver education programs shall include
15 information concerning the Revised Uniform Anatomical Gift Act, chapter 18.6.1 of title 23, and
16 information on donor cards pursuant to the applicable provisions of chapter 18.6.1 of title 23. The
17 board of governors for higher education shall ensure that each person properly certified and
18 approved to instruct driver education courses shall be given an equal opportunity for employment

1 as an instructor within the driver education program. No person teaching driver education under
2 this section shall own, be employed by, or be associated with a commercial driving school.

3 (b) Driver education instruction shall be available to any eligible resident applicant not less
4 than fifteen (15) years and ten (10) months of age.

5 (c) That the state shall also provide a separate program of instruction, as previously set
6 forth in this section, for special needs students whose individual education plan (IEP) indicates a
7 need for a separate program of instruction.

8 (d) The community college of Rhode Island shall provide a driver training program for
9 physically handicapped drivers. The program shall instruct the physically handicapped driver in
10 the operation of adapted vehicles for the handicapped. The adapted vehicles are to be provided by
11 the handicapped individual. A physically handicapped person must be certified by a licensed
12 physician that he or she is physically handicapped and possesses sufficient potential to become a
13 competent motor vehicle operator. The community college of Rhode Island shall establish a tuition
14 fee sufficient to cover the cost of the program.

15 (e) A tuition or enrollment fee shall be required to be paid by an eligible applicant in
16 accordance with rules and regulations of the board of governors for higher education; provided,
17 that personal checks shall be an acceptable method of payment of the tuition or enrollment fee. The
18 tuition or enrollment fee shall be deposited in a restricted receipt account established to pay any
19 and all costs associated with the driver education program at the community college of Rhode
20 Island and administered by the community college of Rhode Island.

21 (f) The board of governors for higher education is authorized to establish administrative
22 regulations to further implement this section.

2 instruction, or may approve a similar course of instruction, such as AAA's course, as equivalent to
3 it, and shall promulgate regulations and establish the appropriate method of providing the
4 instruction.

5 (i) Dangers of distracted driving, including, but not limited to, use of cell phones would be
6 included in this section curriculum and included in all testing as part of the state's driver's license
7 examination.

20 of education and which course of instruction shall be approved by the state board of education. In
21 case of emergency, the president of the community college of Rhode Island may declare, when no
22 certified instructor is available to teach, that an individual eligible to teach at the community college
23 of Rhode Island, who has taken the required course of instruction in driver education, may provide

27 shall ensure that each person properly certified and approved to instruct driver education courses

10 accordance with rules and regulations of the state board of education; provided, that personal

12 enrollment fee shall be deposited in a restricted receipt account established to pay any and all costs
13 associated with the driver education program at the community college of Rhode Island and
14 administered by the community college of Rhode Island.

15 (f) The state board of education is authorized to establish administrative regulations to
16 further implement this section.

17 (g) The community college of Rhode Island shall establish tuition fees sufficient to cover
