

STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2023

—————
A N A C T

RELATING TO STATE AFFAIRS AND GOVERNMENT -- HEALTH CARE FOR
CHILDREN AND PREGNANT WOMEN--EQUALITY IN ABORTION COVERAGE

Introduced By: Senators Valverde, Mack, Sosnowski, Acosta, Murray, Pearson, Miller,
Euer, DiMario, and Lawson

Date Introduced: January 18, 2023

Referred To: Senate Judiciary

It is enacted by the General Assembly as follows:

1 SECTION 1. Legislative findings. The general assembly hereby finds and declares that:

2 (1) In enacting the Reproductive Privacy Act in 2019, the general assembly recognized the
3 importance of protecting a person's right to reproductive health care. However, exercising that right
4 can be illusory for people of limited financial means.

5 (2) Funding restrictions on abortion coverage interfere with an individual's personal
6 decision-making, with their health and well-being, and with their constitutionally protected right to
7 a safe and legal medical procedure.

8 (3) Restrictions on abortion coverage have a disproportionate impact on low-income
9 residents, immigrants, people of color, and young people who are already disadvantaged in their
10 access to the resources, information, and services necessary to prevent an unintended pregnancy or
11 to carry a health pregnancy to term.

12 (4) Numerous other states provide abortion coverage in their Medicaid programs and in
13 their state employee insurance plans.

14 (5) The purpose of this legislation is to promote equity in access to reproductive health
15 care.

16 SECTION 2. Section 42-12.3-3 of the General Laws in Chapter 42-12.3 entitled "Health
