3 **31-38-6. Appointment of official inspection stations.**

4 (a) For the purpose of making inspections and issuing official certificates of inspection and
5 approval as provided in this chapter, the director of the department of revenue, or the director's
6 designee, shall issue permits for and furnish instructions and all necessary forms to official
7 inspection stations for the inspection of vehicles as required in this chapter and the issuance of

4 revenue, or the director's designee, shall maintain and post at the department of revenue lists of all
5 stations holding permits and of those whose permits have been suspended or revoked.

12 of the official station who states in writing that the original was lost, destroyed, or stolen.

13 (f) Any person who has been issued a permit under this section and conducts inspections
