

1 next to the description of the project to enable voters to approve or reject the proposition. The
2 general election laws, so far as consistent herewith, shall apply to this proposition.

3 **SECTION 3. Approval of project by people. –**

4 If a majority of the people voting on the proposition in section 1 hereof shall vote to
5 approve the project stated therein, said project shall be deemed to be approved by the people. The
6 authority to issue bonds, refunding bonds and/or temporary notes of the state shall be limited to the
7 aggregate amount for the project as set forth in the proposition, which has been approved by the
8 people.

9 **SECTION 4. Bonds for capital development program. –**

10 The general treasurer is hereby authorized and empowered, with the approval of the
11 governor, and in accordance with the provisions of this act to issue capital development bonds in
12 serial form, in the name of and on behalf of the State of Rhode Island, in amounts as may be
13 specified by the governor in an aggregate principal amount not to exceed the total amount for the
14 project approved by the people and designated as "capital development loan of 2024 bonds."
15 Provided, however, that the aggregate principal amount of such capital development bonds and of
16 any temporary notes outstanding at any one time issued in anticipation thereof pursuant to section
17 7 hereof shall not exceed the total amount for the project approved by the people. All provisions in
18 this act relating to "bonds" shall also be deemed to apply to "refunding bonds."

19 Capital development bonds issued under this act shall be in denominations of one thousand
20 dollars (\$1,000) each, or multiples thereof, and shall be payable in any coin or currency of the
21 United States which at the time of payment shall be legal tender for public and private debts. These
22 capital development bonds shall bear such date or dates, mature at specified time or times, but not
23 mature beyond the end of the twentieth state fiscal year following the fiscal year in which they are
24 issued; bear interest payable semi-annually at a specified rate or different or varying rates; be
25 payable at a designated time or times at a specified place or places; be subject to express terms of
26 redemption or recall, with or without premium; be in a form, with or without interest coupons
27 attached; carry such registration, conversion, reconversion, transfer, debt retirement, acceleration
28 and other provisions as may be fixed by the general treasurer, with the approval by the governor,
29 upon each issue of such capital development bonds at the time of each issue. Whenever the
30 governor shall approve the issuance of such capital development bonds, the governor's approval
31 shall be certified to the secretary of state; the bonds shall be signed by the general treasurer and
32 countersigned by the secretary of state and shall bear the seal of the state. The signature approval
33 of the governor shall be endorsed on each bond.

34 **SECTION 5. Refunding bonds for 2024 capital development program. –**

1 The general treasurer is hereby authorized and empowered, with the approval of the
2 governor, and in accordance with the provisions of this act, to issue bonds to refund the 2024 capital
3 development program bonds, in the name of and on behalf of the state, in amounts as may be
4 specified by the governor in an aggregate principal amount not to exceed the total amount approved
5 by the people, to be designated as "capital development program loan of 2024 refunding bonds"
6 (hereinafter "refunding bonds").

7 The general treasurer with the approval of the governor shall fix the terms and form of any
8 refunding bonds issued under this act in the same manner as the capital development bonds issued
9 under this act, except that the refunding bonds may not mature more than twenty (20) years from
10 the date of original issue of the capital development bonds being refunded.

11 The proceeds of the refunding bonds, exclusive of any premium and accrual interest and
12 net the underwriters' cost, and cost of bond insurance, shall, upon their receipt, be paid by the
13 general treasurer immediately to the paying agent for the capital development bonds which are to
14 be called and prepaid. The paying agent shall hold the refunding bond proceeds in trust until they
15 are applied to prepay the capital development bonds. While such proceeds are held in trust, the
16 proceeds may be invested for the benefit of the state in obligations of the United States of America
17 or the State of Rhode Island.

18 If the general treasurer shall deposit with the paying agent for the capital development
19 bonds the proceeds of the refunding bonds, or proceeds from other sources, amounts that, when
20 invested in obligations of the United States or the State of Rhode Island, are sufficient to pay all
21 principal, interest, and premium, if any, on the capital development bonds until these bonds are
22 called for prepayment, then such capital development bonds shall not be considered debts of the
23 State of Rhode Island for any purpose starting from the date of deposit of such monies with the
24 paying agent. The refunding bonds shall continue to be a debt of the state until paid.

25 The term "bond" shall include "note," and the term "refunding bonds" shall include
26 "refunding notes" when used in this act.

27 **SECTION 6. Proceeds of capital development program. –**

28 The general treasurer is directed to deposit the proceeds from the sale of capital
29 development bonds issued under this act, exclusive of premiums and accrued interest and net the
30 underwriters' cost, and cost of bond insurance, in one or more of the depositories in which the funds
31 of the state may be lawfully kept in special accounts (hereinafter cumulatively referred to as "such
32 capital development bond fund") appropriately designated for the project set forth in section 1
33 hereof which shall have been approved by the people to be used for the purpose of paying the cost
34 of the project so approved.

1 All monies in the capital development bond fund shall be expended for the purposes
2 specified in the proposition provided for in section 1 hereof under the direction and supervision of
3 the director of administration (hereinafter referred to as "director"). The director, or designee shall
4 be vested with all power and authority necessary or incidental to the purposes of this act, including,
5 but not limited to, the following authority:

6 (1) To acquire land or other real property or any interest, estate or right therein as may be
7 necessary or advantageous to accomplish the purposes of this act;

8 (2) To direct payment for the preparation of any reports, plans and specifications, and
9 relocation expenses and other costs such as for furnishings, equipment designing, inspecting and
10 engineering, required in connection with the implementation of the project set forth in section 1
11 hereof;

12 (3) To direct payment for the costs of construction, rehabilitation, enlargement, provision
13 of service utilities, and razing of facilities, and other improvements to land in connection with the
14 implementation of the project set forth in section 1 hereof; and

15 (4) To direct payment for the cost of equipment, supplies, devices, materials and labor for
16 repair, renovation or conversion of systems and structures as necessary for the 2024 capital
17 development program bonds or notes hereunder from the proceeds thereof. No funds shall be
18 expended in excess of the amount of the capital development bond fund designated for the project
19 authorized in section 1 hereof. With respect to the bonds and temporary notes described in section
20 1, the proceeds shall be used for the following purpose:

21 Question 1, relating to bonds in the amount of one hundred million dollars (\$100,000,000)
22 to provide funding for a statewide transit system by improvement of existing services, expansion
23 of services to new areas, development of high capacity transit, improvement of access to transit and
24 adoption of new technologies and methods to make service easier to use.

25 **SECTION 7. Sale of bonds and notes. –**

26 Any bonds or notes issued under the authority of this act shall be sold at not less than the
27 principal amount thereof, in such mode and on such terms and conditions as the general treasurer,
28 with the approval of the governor, shall deem to be in the best interests of the state.

29 Any premiums and accrued interest, net of the cost of bond insurance and underwriter's
30 discount, which may be received on the sale of the capital development bonds or notes shall become
31 part of the Rhode Island capital plan fund of the state, unless directed by federal law or regulation
32 to be used for some other purpose.

33 In the event that the amount received from the sale of the capital development bonds or
34 notes exceeds the amount necessary for the purposes stated in section 6 hereof, the surplus may be

1 used to the extent possible to retire the bonds as the same may become due, to redeem them in
2 accordance with the terms thereof or otherwise to purchase them as the general treasurer, with the
3 approval of the governor, shall deem to be in the best interests of the state.

4 Any bonds or notes issued under the provisions of this act and coupons on any capital
5 development bonds, if properly executed by the manual or electronic signatures of officers of the
6 state in office on the date of execution, shall be valid and binding according to their tenor,
7 notwithstanding that before the delivery thereof and payment therefor, any or all such officers shall
8 for any reason have ceased to hold office.

9 **SECTION 8. Bonds and notes to be tax exempt and general obligations of the state.**

10 All bonds and notes issued under the authority of this act shall be exempt from taxation in
11 the state and shall be general obligations of the state, and the full faith and credit of the state is
12 hereby pledged for the due payment of the principal and interest on each of such bonds and notes
13 as the same shall become due.

14 **SECTION 9. Investment of monies in fund. –**

15 All monies in the capital development fund not immediately required for payment pursuant
16 to the provisions of this act may be invested by the investment commission, as established by
17 chapter 10 of title 35, entitled "state investment commission," pursuant to the provisions of such
18 chapter; provided, however, that the securities in which the capital development fund is invested
19 shall remain a part of the capital development fund until exchanged for other securities; and
20 provided further, that the income from investments of the capital development fund shall become
21 a part of the general fund of the state and shall be applied to the payment of debt service charges
22 of the state, unless directed by federal law or regulation to be used for some other purpose, or to
23 the extent necessary, to rebate to the United States treasury any income from investments (including
24 gains from the disposition of investments) of proceeds of bonds or notes to the extent deemed
25 necessary to exempt (in whole or in part) the interest paid on such bonds or notes from federal
26 income taxation.

27 **SECTION 10. Appropriation. –**

28 To the extent the debt service on these bonds is not otherwise provided, a sum sufficient to
29 pay the interest and principal due each year on bonds and notes hereunder is hereby annually
30 appropriated out of any money in the treasury not otherwise appropriated.

31 **SECTION 11. Advances from general fund. –**

32 The general treasurer is authorized, with the approval of the director and the governor, in
33 anticipation of the issue of notes or bonds under the authority of this act, to advance to the capital
34 development bond fund for the purposes specified in section 6 hereof, any funds of the state not

1 specifically held for any particular purpose; provided, however, that all advances made to the
2 capital development bond fund shall be returned to the general fund from the capital development
3 bond fund forthwith upon the receipt by the capital development fund of proceeds resulting from
4 the issue of notes or bonds to the extent of such advances.

5 **SECTION 12. Federal assistance and private funds. –**

6 In carrying out this act, the director, or designee, is authorized on behalf of the state, with
7 the approval of the governor, to apply for and accept any federal assistance which may become
8 available for the purpose of this act, whether in the form of loan or grant or otherwise, to accept the
9 provision of any federal legislation therefor, to enter into, act and carry out contracts in connection
10 therewith, to act as agent for the federal government in connection therewith, or to designate a
11 subordinate so to act. Where federal assistance is made available, the project shall be carried out in
12 accordance with applicable federal law, the rules and regulations thereunder and the contract or
13 contracts providing for federal assistance, notwithstanding any contrary provisions of state law.
14 Subject to the foregoing, any federal funds received for the purposes of this act shall be deposited
15 in the capital development bond fund and expended as a part thereof. The director, or designee may
16 also utilize any private funds that may be made available for the purposes of this act.

17 SECTION 13. Sections 1, 2, 3, 11 and 12 of this act shall take effect upon passage. The
18 remaining sections of this act shall take effect when and if the state board of elections shall certify
19 to the secretary of state that a majority of the qualified electors voting on the proposition contained
20 in section 1 hereof have indicated their approval of the project thereunder.
