RELATING TO STATE AFFAIRS AND GOVERNMENT -- TUITION WAIVER PILOT  
PROGRAM FOR CHILDREN IN FOSTER CARE

Introduced By: Senators DiPalma, Zurier, and F. Lombardi

Date Introduced: April 05, 2024

Referred To: Senate Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Title 42 of the General Laws entitled "STATE AFFAIRS AND  
2 GOVERNMENT" is hereby amended by adding thereto the following chapter:

3 CHAPTER 72.13

4 TUITION WAIVER PILOT PROGRAM FOR CHILDREN IN FOSTER CARE

5 **42-72.13-1. Statement of purpose.**

6 (a) There are many children in the custody of the department of children, youth, and  
7 families ("DCYF") who have been in DCYF custody for several years and who have no family  
8 resources or whose families have limited ability to provide funds for post-secondary education.  
9 These children often possess the academic ability and the interest to pursue higher educational  
10 goals, but are precluded from doing so because of the lack of family resources to assist in funding.

11 (b) The state has already invested considerable funds in children in DCYF custody through  
12 the funding of residential placements, foster care, counseling services, and health care.

13 (c) Children in the care of the state or aging out of foster care have poor educational  
14 outcomes that have been documented, and few achieve college graduation without substantial  
15 assistance. The purpose, and goal of this chapter is to improve outcomes for current and former  
16 foster youth who need support to improve educational attainment. Investment in their education  
17 will help to ensure a successful transition to adulthood free of dependence on government support.

18 (d) To afford youth in foster care the opportunity comparable to children not in state

1 custody who often enjoy greater opportunities to draw from family and other resources, there is  
2 hereby established the tuition waiver pilot program for children in Rhode Island foster care.

3 **42-72.13-2. Definitions.**

4 As used in this chapter:

5 (1) "Certificate" means any certificate program with labor market value as defined by the  
6 postsecondary commissioner.

7 (2) "Department" means the department of children, youth, and families.

8 (3) "General education coursework" means the educational foundation of knowledge,  
9 skills, and attitudes that prepare recipient students for success in their majors and their personal and  
10 professional lives after graduation. It includes, but is not limited to, the required coursework of all  
11 degrees developed by Rhode Island College that are approved by the council on postsecondary  
12 education that are intended to ensure that all graduates of a state institution have a balanced core of  
13 competencies and knowledge. General education course work is not limited to coursework  
14 specifically required for one's major.

15 (4) "Mandatory fees and tuition" means the costs that every student is required to pay in  
16 order to enroll in classes, and shall include room and board, program fees that may exist in some  
17 majors, course fees that may exist for some specific courses, fees for summer programs, and meal  
18 plans.

19 (5) "On track to graduate on time" means the standards determined by Rhode Island  
20 College in establishing the expectation of a student to graduate with an associate's degree within  
21 two (2) years, or a bachelor's degree within four (4) years of enrollment, or the prescribed  
22 completion time for a student completing a certificate, or the prescribed time for a student to obtain  
23 the degree or certificate on a part-time basis. In promulgating this section, the general assembly  
24 recognizes that some students, including, but not limited to, students who require developmental  
25 education, may require an extended time period for degree completion.

27 care established in this chapter.
