(10) At the end of legislative business on any day, upon request to the Speaker by a representative, the Speaker shall declare the House in informal session, i.e., no motion shall be in order, except that to adjourn, at the close of five-minute speeches, then proceed to entertain five-minute speeches. Each member so recognized shall be allotted five (5) minutes in which to address the House on any matter subject to these rules. No member can yield his or her time to another.

(11) Sessions of the House during the legislative session shall convene at 4 p.m; provided, that the Speaker with adequate notice to the members may convene the House at another hour and/or another place.

Thirdly - Of Committees

(12)(a) The following standing committees shall be appointed each year in the month of January or as soon as convenient after the adoption of House Rules, viz:

A committee on constituent services

A committee on corporations

A committee on environment and natural resources

A committee on finance

A committee on health, education and welfare

A committee on judiciary

A committee on labor

A committee on municipal government

A committee on rules

A committee on separation of powers and oversight

A committee on veterans' affairs.

(b) The Speaker shall appoint all standing committees and create such other

subcommittees and committees as may be required from time to time and appoint thereto. All subcommittees and committees shall have proportionate minority membership when feasible. The Speaker, in consultation with the Minority Leader, shall be the appointing authority for minority membership on standing committees and subcommittees thereof, joint committees, boards and commissions. All vacancies occurring in any committee and subcommittee after they have once been named shall be filled in like manner by the Speaker. The Speaker, Majority Leader and Minority Leader shall be ex officio members with voting rights of all House committees but shall not be counted for purposes of determining a quorum. The Speaker shall appoint the chair, vice chair and secretary of each committee. In the event that the chair of a committee is unable to serve due to incapacity for medical or other reasons, the Speaker may appoint an acting chair for the period of such incapacity, which acting chair shall have all of the powers and duties of the chair. The chair shall determine all questions of procedure before the committee in cases not provided for in these rules.

(c) A committee shall not consider any bill in the absence of a quorum, which shall consist of a majority of the committee's membership.

(d) All committee meetings shall be open to the public, but public participation shall be limited to testimony on the matters before the committee. The chair of any committee may limit the length of a witness' testimony in order to afford all witnesses the opportunity to be heard.

(e) It shall be the duty of the committee on finance to take into consideration all propositions relative to the revenue, to inquire into the state of the public debt and to report from time to time their opinion thereon and such propositions relative thereto as to them shall seem expedient.

(f) Upon introduction of the annual state budget to the House on behalf of the Governor, the budget shall be referred to the finance committee. Within two (2) weeks following receipt thereof, the finance committee's fiscal advisor shall provide to each member of the House a brief but thorough summary of budget issues. Within three (3) weeks following the receipt of the budget, the committee shall schedule such meetings as it deems necessary to receive comment on the budget as a whole from all House members who wish to appear before it for that purpose.

(g) The Speaker may appoint from time to time subcommittees of a given standing committee, which shall consist only of members of the committee from which it was appointed. The chair of each standing committee shall be considered a member of each subcommittee of such committee. Each subcommittee may hear testimony on bills and resolutions falling within the subject matter of its charge and shall report to the committee from which it was appointed. Subcommittees will otherwise conduct themselves in conformity with these rules. The Speaker shall appoint the chair of each subcommittee.

(13)(a) Committees shall take into consideration all such petitions, resolves, bills, matters or things as may be referred to them by the House with power to report by bill or otherwise; provided, however, that committees shall, whenever possible, consider all bills of substantially the same or of a similar nature at the same time in a manner that is otherwise in conformity with these rules.

(b) A committee shall not consider any public bill or resolution not previously distributed in print or electronically to its members except by a vote of the majority of the members of the committee.

(c) The Chair of every committee shall post, in print and electronically, at least forty-eight (48) hours prior to any committee meeting, a list by number and title of the bills and resolutions to be heard at that meeting. Such postings shall be made electronically and on the

Legislative Data Bulletin Board. The electronic posting shall be considered the official date of the posting. In the event that the electronic posting system is inoperable then the official posting shall be the printed posting on the Legislative Data Bulletin Board. The Chair shall limit such listings to the number of bills or resolutions he or she reasonably expects can be taken up by the committee at that meeting. Any bill or resolution so posted which the committee is not able to take up at the stated meeting must be re-posted as stated above. Such postings shall be made electronically, and on the House bulletin board or on the Legislative Data bulletin board. Copies of all posted bills or resolutions shall be provided in print or electronically to all committee members and principal sponsors. A committee shall not hear any said bill or resolution without such notice except by the consent of a majority of its members and with at least one (1) day's notification to the principal sponsor. The sponsor may, however, waive such one-day notification. The time requirements of this section shall not apply to House bills returned from the Senate with amendment, or, after the 50th legislative day, to any bill originating in the Senate.

(d) Every standing committee shall meet at least once weekly if any requests for hearings on or consideration of bills or resolutions are pending before it. The right to be heard on any such bill or resolution may be granted, upon written or electronic request, to the principal sponsor thereof as provided in these rules. No committee shall hear more than thirty (30) bills (exclusive of city and town bills and those to be placed on the consent calendar) at any one (1) meeting.

(e) Upon receipt of a written request from the principal House sponsor of a bill or resolution, a copy of which is to be given to the recording clerk, the committee shall grant to said principal House sponsor a hearing on any said bill or resolution within thirty (30) calendar days of the request, and provided further, that said committee shall grant to the principal House sponsor consideration of his or her bill or resolution prior to the deadline for committee action on such bill or resolution. The principal sponsor, with the concurrence of the Chair, may cancel a scheduled hearing with twenty-four (24) hours' notice to the Chair, which notice shall be posted electronically. A hearing postponed twice at the sponsor's request need not be re-scheduled. For the purpose of the rule, consideration shall mean a majority vote on one (1) of the following:

(i) a motion to report the bill or resolution to the House with a recommendation of passage;

(ii) a motion to report the bill or resolution as amended, or in substitute form, to the House with a recommendation of passage; or

(iii) a motion to report the bill or resolution to the House without recommendation; or

(iv) a motion to report the bill or resolution to the House with a recommendation of no passage; or

(v) a motion to report the bill or resolution to the House with a recommendation that it be held for further study.

In the event of a tie vote on any of the motions specified in (i), (ii), (iii), (iv) or (v) hereof, the bill or resolution shall be lost.

The originals of bills or resolutions which have failed in committee shall be transmitted by the committee clerks to the Secretary of State for the State Archives, with an appropriate notation thereon.

(f) Once a committee has considered a bill or resolution the principal House sponsor shall be notified in writing or electronically prior to the report being made to the full House, provided that this provision shall not apply to the budget bill, or to any bill or resolution after the budget bill shall have passed the House. Committee Chairs shall bring reports of committee actions to

the floor no later than two (2) weeks following the committee votes thereon, provided that this shall not apply to the

Committee on Finance, nor shall it apply to bills being held for further study under subdivision (e)(v). A committee member may move reconsideration of any vote taken so long as the bill or resolution which was the subject of the vote remains in the possession of the committee. Any reconsideration shall be consistent with the provisions of Rule 40.

Bills or resolutions concerning appropriations, revenue or expenditures shall not be subject to the above time limits.

(g) In the event a committee shall fail to afford consideration to any bill or resolution within the prescribed time, the principal sponsor may report such failure in writing to the Speaker of the House and the Speaker thereupon may order the immediate discharge of the bill or resolution from a committee to the House floor.

(h) All bills or resolutions reported from committee shall be placed on the calendar or, pursuant to the restrictions of these rules, on the consent calendar for the required period of time according to these rules before House consideration. Bills and resolutions reported from committees and received by the Clerk of the House prior to the convening of the session on a given legislative day shall be deemed to have been received, and therefore in order to be placed upon the appropriate calendar, as of that day. Bills and resolutions so received after the convening of the session on a given legislative day shall be deemed to have been received, and therefore in order to be placed upon the appropriate calendar, on the next legislative day and shall be considered a part of that day's business.

House Rule 13(e) through (h) shall not apply to any bill or resolution which shall have originated in the Senate.

(i) No public bill or resolution which originated in the House shall be considered by a House committee unless the committee has held a hearing on that bill or resolution by April 9, 2009 (or April 8, 2010, in the case of 2010), and thereafter the committees of the House shall not consider public bills or resolutions except those which have been acted upon by the Senate and transmitted by the Senate to the House of Representatives, provided however, that the committee on finance may hear and consider such House bills, acts or resolutions as it deems to have a fiscal impact after April 9, 2009 (or April 8, 2010, in the case of 2010), except as provided in section (j) hereof, and provided further, that each other House committee may complete consideration of not more than three (3) House bills or resolutions after said date, on which such committee had not been able to complete action, upon approval by the Speaker of a written request from the Chair. All such requests must be filed with the Clerk of the House no later than April 9, 2009 (or April 8, 2010, in the case of 2010). The provisions of this paragraph shall not apply to House bills of which Senate duplicates have passed the House.

(j) No House bill which relates to an individual's pension or retirement shall be accepted as a committee report from the committee on finance unless it shall have been considered by the committee on or before April 9, 2009 (or April 8, 2010, in the case of 2010), and shall have been heard in the committee no later than one (1) week prior to that date.

(k) Transfers – The Speaker or the Speaker's designee may direct the transfer of a bill or resolution from one committee to another at any time. The committee receiving the transferred bill or resolution must comply with the posting and time requirements of this section.

(14)(a) Committees shall keep a permanent record of their written submissions and of their voting tally sheets, and the same shall be public records and available to any member and to any person within two (2) legislative days upon written request.

(b) Each committee shall file with the Clerk of the House and with legislative data services a list of all measures on which formal action was taken and a copy of the recorded vote tally on each such measure.

Fourthly - Of Bills and Petitions

(15)(a) No bill or resolution shall be considered or acted upon by the House if objection is made unless the same has been considered by, reported, or recalled from a committee thereof, from a joint committee, or by two-thirds (2/3) of members present. This rule shall not apply to a House Bill of which the Senate duplicate has passed the House, and provided further that the Speaker may at any time order a duplicate bill received from the Senate or a Senate bill after the budget bill shall have passed the House, onto the calendar.

(b) When a bill or resolution is postponed indefinitely, the same shall not be acted upon again during the session.

(c) No bill or resolution shall be passed or concurred in without two (2) readings. The first reading shall take place by acceptance of the bill or resolution and publication in the House Journal and the second after it has been placed upon the calendar. No bill or resolution upon the calendar shall be taken up for consideration unless copies thereof, in the form in which it was reported from committee, shall have been made available in print or electronically to the members no later than the rise of the House on the legislative day preceding the day on which it shall be in order for consideration. No matter of business on the calendar shall be considered upon its merits prior to the legislative day after it shall have been placed on the calendar except by vote of the majority of the members present and voting. The provisions of this paragraph shall not apply to Senate bills received by the House which are duplicates of House bills.

(d) No more than fifty (50) public bills shall be considered upon their merits during any one (1) legislative day, provided, however, that House bills returned from the Senate, Senate bills which are duplicates of and identical to House bills, and bills removed from the consent calendar pursuant to the provisions of Rule 9 may be considered notwithstanding this limit and provided further, that Senate bills which are duplicates of and identical to House bills, and House bills returned from the Senate, may without objection be bundled and passed by one vote provided that they are provided to members electronically prior to consideration.

(e) The budget bill shall be prepared by the Legislative Council. The budget bill shall not be considered by the House unless copies thereof as approved by the finance committee have been available to the members for seven (7) calendar days. No amendment which is intended to make a substantive change in the budget bill may be offered other than by the Chair of the finance committee, except with the agreement of two-thirds (2/3) of the members present, unless the text thereof shall have been submitted to the Legislative Council and made available to the members two (2) calendar days prior to the day on which the budget bill shall be in order for consideration.

(f) An amendment which was germane when prepared, and which was offered in a timely fashion, but is no longer germane because of an intervening amendment, may, with the agreement of the majority leader and minority leader, be revised orally or in writing by the sponsor without renewed compliance with the requirements hereof.

(g) After the 50th legislative day, bills or resolutions received back from the Senate with amendments requiring House concurrence shall, with the agreement of the House sponsor and the Majority Leader, be placed on the calendar in order for the day upon which they are received.

(16)(a) There shall be attached to every public bill or resolution when first introduced an explanation of such bill or resolution indicating the proposed changes, and/or the statute or

existing law which such bill or resolution purports to amend. Each original bill or resolution introduced shall be accompanied by at least four (4) copies which may be typewritten or reproduced by any legible mechanical process, and the Clerk of the House may decline to receive and process bills and resolutions not accompanied by such copies.

(b) When any bill or resolution is offered which is intended to amend any part or parts of an existing statute, or the Constitution of the State of Rhode Island, or the House Rules, any part or parts intended to be stricken shall be contained in the bill or resolution and by appropriate mechanical mark, shall be crossed out. All new matter contained in the bill or resolution shall be underlined, so that the new matter may be easily discerned. Existing language not intended to be amended shall be reproduced without change.

(c) "Public bill" shall include all bills or resolutions which in any way have general application throughout the state or which are of a nature for which the constitution requires special treatment, and bills which relate to an individual's pension or retirement benefits. Bills or resolutions of a private or local nature shall not be considered "Public bills" and shall include: those which pertain to a particular city or town or local entity; those making claims against the state; those which pertain to private corporation charters and amendments thereto and restoration thereof, and to amendments to authorize holdings by non-profit organizations of a charitable, civic, library or like nature; resolutions memorializing congress, or of congratulations or expressing sympathy or condolences; resolutions requesting the several departments of state government to grant some privilege, consideration or relief; and others of like private and local nature.

(d) All bills and resolutions, private as well as public, and all proposed amendments thereto, shall be prepared by the Legislative Council, and the Clerk of the House may decline to accept for introduction any bill, resolution or transmittal not in conformity herewith. Once introduced and referred, all bills and resolutions shall be printed and made available electronically, except resolutions of congratulation and condolence. The Legislative Council may decline to accept for drafting any proposal for an amendment submitted to it later than 3 p.m. on the day on which the bill or resolution to be amended is to be heard, provided that the Speaker or his or her designee may waive this restriction.

(e) All bills and resolutions which have been introduced at the request of one of the general officers shall bear a stamp indicating such request.

(i) Upon presentation of testimony before a committee, the prime sponsor of a bill or resolution shall provide to the committee the name of any individual, group or organization responsible for the substantive basis or text of the bill.

(f) A prime sponsor may withdraw a bill or resolution previously introduced at any time, upon written request to the Clerk of the House on a form which the Clerk of the House shall provide.

(g)(i) In the event a bill is amended or substituted by a committee for floor action, the sponsor or sponsors of that bill may elect, in writing, to have their names disassociated from said bill and the committee report shall reflect this election.

(ii) A co-sponsor of a bill or resolution may remove his or her name from a bill or resolution at any time prior to its passage upon written notice to the clerk.

(h)(i) A bill or resolution may be filed by any member or member-elect with the Clerk of the House at any time from November 15 to the day prior to the commencement of the regular annual session. The clerk shall order it printed, and made available for the first reading on the second day of the succeeding session.

(ii) Only the bills or resolutions filed by members elected and qualified shall receive the first reading.

(iii) In the event that any member or member-elect shall die after filing and before the first reading, the death of said member or member-elect shall constitute automatic withdrawal of said bill or resolution and automatic withdrawal of the number of said bill or resolution and said number shall not be used again during the legislative session; provided, however, that where a bill or resolution shall have had more than one sponsor, said bill or resolution and number shall not be withdrawn and the member whose name appears second on said bill or resolution shall become the prime sponsor.

(17) A member may introduce a public bill or resolution after the third Thursday in February only if, one (1) day previous to such introduction, the member shall have notified the House of his or her intention to introduce said bill or resolution by reading the title and giving a brief explanation of the contents thereof. A member may avail himself or herself of the opportunity afforded by this rule three (3) times only in each calendar year, and in no event after the fortieth (40th) legislative day, provided that these limitations shall not apply to municipal bills, bills to create or extend the reporting dates of study commissions, appropriations and budget bills (regular or supplemental) or to bills which under these rules are eligible for placement on the consent calendar, and provided further that this rule shall not apply to any matter submitted with the approval of the Speaker.

House committees may, but shall not be obliged to, hear and consider public bills or resolutions approved for introduction pursuant to this rule notwithstanding the provisions of Rule 13(i).

(18) No measure without a body or substantive content shall be accepted at any time, nor shall a substitute bill be accepted which is not consistent with the title and substance of the original bill. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

(19)(a) No amendment to a pending bill or resolution may be considered by the House, except by unanimous consent, unless copies of the same shall be on the desks of the members in typed form or accessible electronically.

(b) When an amendment proposed to any pending measure is laid on the table, it shall not carry with it or prejudice such measure.

(c) The motion to lay on the table and the motion to take from the table shall be non-debatable; provided, however, that the mover of an amendment shall be allowed two (2) minutes to reply when a motion is made to table his or her amendment; whereupon the Speaker shall put the question on the motion to table.

(20) Amendments, articles or sections of the State budget shall concern only appropriations, expenditures, revenue or matters related thereto.

(21) Except with respect to present and former members of the General Assembly, general officers, members of the judiciary, and elected state and federal officials, all expressions in the nature of condolences and in the nature of congratulations shall be presented in omnibus resolutions which shall not require concurrent action and which, upon passage, shall be forthwith transmitted to the Secretary of State.

(22) On any day the prime sponsor of a bill or resolution may present a petition in writing to discharge a committee from further consideration of a public bill or resolution which has been referred to a committee, and by no other procedure, but only one petition may be presented for a public bill or resolution during the course of a session. The petition shall be

placed in the custody of the recording clerk of the House who shall arrange some convenient place for the signatures of the members to be placed thereon in the presence of said clerk. A signature may be withdrawn by a member at any time before the petition receives sufficient signatures to become effective, and such petitions shall become effective, and shall serve to discharge a committee from further consideration of the public bill or resolution and shall cause said public bill or resolution to be placed upon the calendar for action, when any thirty-eight (38) representatives shall have affixed their signatures thereto, provided, however, that if, after the bill or resolution is calendared but before it is taken up, enough signatures are withdrawn so that the number of effective signatures falls below thirty-eight (38), the bill or resolution shall pass off the calendar. No such petition shall be presented for signatures to discharge a public bill or resolution unless the same shall have been in the possession of the committee for no less than sixteen (16) legislative days, and in no event until after the fiftieth (50th) legislative day. During House consideration of any discharged public bill or resolution, no motion to recommit or lay on the table shall be entertained by the Speaker until every member desiring to be heard has been recognized.

(23) No vote or act which has been passed by the House shall be sent by the clerk to the Senate or to the Governor before the expiration of the time limit for its reconsideration under rule 40, except those passed on the last day and those which shall have been reconsidered.

(24) Any bill or resolution which has been introduced in one (1) session need not be reintroduced in the succeeding session unless the same shall have been defeated in committee or on the floor of either house; provided, however, that no general election shall have intervened.

The concurrence of both houses in the same session shall be necessary for the enactment of all laws.

Fifthly - Of Decorum and Debates

(25) When any member is about to speak in debate, or to deliver any matter to the House, he or she shall activate his or her recognition button, and when recognized rise and proceed by respectfully addressing the Speaker. Debate shall be confined to the matter before the House. No member shall be permitted to ask, nor shall the Speaker entertain, any question not directly related to the matter before the House.

(26) When two (2) or more members seek to be recognized, the Speaker shall select the member who is to speak first.

(27) No member shall speak more than twice to the same question without the leave of the House, nor more than once until every member choosing to speak shall have spoken, nor for longer than five (5) minutes without the leave of the House. The first two (2) clauses of this rule shall not apply to the Majority and Minority Leaders, nor to the principal sponsor or floor manager of any bill, resolution or amendment on the floor, nor to the chair of the committee from which the bill or resolution was reported.

(28) If any member, in speaking or otherwise, transgresses any rule of the House, the Speaker shall, or any member may, call him or her to order, in which case the member called to order shall immediately sit down, unless permitted by the Speaker to explain and the House shall, if appealed to, decide on the case but without debate. If the reading of any printed or written paper be objected to, it shall be determined by a vote of the House without debate.

(29) While the Speaker is putting any question, or addressing the House, or when a member is speaking, none shall entertain private discourse in person or by phone, nor walk between the member who is addressing the Speaker and the chair. At no time while the House is in session shall any person use cell phones or audible pagers in the House Chamber.

During legislative sessions, video or photographic equipment shall not be used by members of the House on the floor of the House or in committee hearing rooms when committee meetings are in session unless he or she has the permission of the Speaker. This section shall not apply to properly credentialed representatives of the news media.

(30) When a motion is made and seconded, it shall be stated by the Speaker, or, being in writing, shall be handed to the Speaker and read by the Clerk of the House before debate. Any motion shall be reduced to writing before debate whenever the Speaker shall so direct.

(31) Any bill or resolution of more than one section shall be passed upon by section, at the request of any member. With the leave of the Speaker, a section that is susceptible of division shall be divided and put separately upon the propositions of which it is compounded, but a motion to strike out and substitute shall not be divided.

(32) After a motion is stated by the Speaker, or read by the clerk, it shall be deemed to be in possession of the House, but any motion may be withdrawn by the mover at any time before a decision or amendment, except a motion to reconsider, which shall not be withdrawn after the time has elapsed within which it might originally have been made.

(33) When a question is under debate no motion shall be received, except to adjourn, for the previous question, to take a recess, to lay on the table, to fix a time for closing debate, to postpone indefinitely, to postpone to a day certain, to commit, or to amend, which several questions shall have precedence in the order in which they are here arranged.

(34) Motions to commit shall have precedence in the following order: to a standing committee of the House, to a select committee of the House, to a joint standing committee, to a joint select committee.

(35) When a time for a meeting of the House shall have been previously fixed upon, a motion to adjourn shall be always in order, except as provided in Rule 39. The motions to lay on the table, to take from the table, to reconsider, for the previous question, to take a recess, to adjourn, and for the vote, shall be decided without debate (except, with regard to the motion to lay on the table, to the extent specified in Rule 19(c)).

(36) No member shall vote on any question of private property in the event of which he or she is immediately and particularly interested.

(37)(a) No member shall speak or vote, unless within the bar of the House and at his or her seat, except as hereinafter provided. Every member (except as provided in Rule 3) who shall be in his or her seat in the House Chamber when the question is put, shall give his or her vote, unless prior thereto the Speaker shall have excused him or her in accordance with the provisions of the Code of Ethics statute (RIGL 36-14-6). No member may vote for another member, nor activate another member's voting machine except by the express direction of that member who is present in the House chamber. No one may occupy the vacant seat of a member.

(b) When a violation of Rule 37(a) is alleged in writing by a member, the Speaker may refer said written allegation to the House Rules Committee to investigate, hold hearings, ascertain the facts and report its findings and recommendation to the House, which may then take appropriate action including but not limited to expulsion as authorized by Article 6, Section 7 of the Constitution of the State.

(c) The electronic voting machine of any member not present when the quorum is called shall remain locked until the member has notified the recording clerk of his or her presence. Upon late arrival but prior to adjournment, a member may report his or her presence to the recording clerk which shall be recorded in the journal.

(d) Any member who leaves the floor before adjournment for the remainder of that day's

session shall report to the recording clerk prior to his or her departure. The recording clerk will then lock the electronic voting machine of that member.

(38)(a) The electronic voting system may be used to record attendance and quorums, and shall be used to record all votes on public bills (as defined in rule 16(c)) and votes on rule changes and suspensions. It shall be used for other votes by request of a member, and, at the discretion of the Speaker, for recording the seconds to any motion.

(b) In the event the machine is not to be used or is not operating properly, all votes and other determinations may be taken as otherwise required by House rules, either by voice vote, division vote or by calling the roll alphabetically and recording the ayes and nays. If a member's voting device is out of order, he or she shall rise and announce it to the presiding officer and call his or her vote orally prior to the declaration of the result of the vote. Every member may vote providing he or she is in the chamber of the House at the time the vote is in progress and before the machine is locked.

(c) The electronic voting system shall be under the control of the presiding officer and shall be operated by such personnel as the Speaker of the House so designates. At a reasonable time, prior to any vote being taken, the presiding officer shall announce that a vote is about to be taken. When any member other than the Speaker of the House is presiding, he or she shall direct the voting clerk to record his or her vote as if cast at his or her voting station. Until the completion of the voting, no member shall be recognized, and no other business shall be transacted.

(d) When sufficient time has elapsed for each member to vote, the presiding officer shall order the machine locked and activate the recording process. When the vote is completely recorded, the clerk shall advise the presiding officer of the result; and the presiding officer shall announce the result to the House and the result shall be recorded in the journal. No vote may be changed after the system has been locked and the vote recorded.

(e) When a division is called for, those in the affirmative or the negative, as the case may be, shall cast their votes accordingly and the voting clerk shall activate the recording equipment so as to reflect only the numerical count. When the vote is completely recorded, the clerk shall advise the presiding officer of the result; and the presiding officer shall announce the result to the House. (In the event the electronic voting system is not operating properly, the division vote shall be conducted as otherwise provided in House rules).

(f) After the question has been put, but before the system is locked, any member may call for a statement of the question.

(g) While the presiding officer is putting the question, or the vote is being recorded, no member shall speak or leave his or her place. After a vote has been ordered there shall be no debate whatever.

(h) In case of a tie vote the question shall be lost.

(39) There shall be a motion for the previous question, which shall always be in order and which shall not be debated, and which may be moved and ordered upon any bill or section thereof, amendment, motion, resolution or question which is debatable, any of which shall be considered as the main question for the purpose of applying the previous question. When a motion for the previous question has been made, no other motion shall be entertained by the Speaker until it has been put to the House and decided. All incidental questions of order arising after a motion for the previous question has been made, and before the vote has been taken on the main question, shall be decided whether on appeal or otherwise without debate. When the previous question has been ordered, a motion to reconsider such vote shall not be in order, and

no motion to adjourn or take a recess while a quorum is present shall be entertained between the taking of such vote and the taking of the vote on the main question, but ten (10) minutes shall be allowed for further debate upon the main question during which no member shall speak more than three (3) minutes, and a further period of ten (10) minutes, if desired, shall be allowed for debate to the member introducing the bill or question to be acted upon, or to the member or members to whom he or she may yield the floor, at the close of which time, or at the close of the first ten (10) minutes, in case the introducer does not desire to so use his or her time, the vote on the main question shall be taken. If incidental questions of order are raised after the previous question has been ordered, the time occupied in deciding such question shall be deducted from the time allowed for debate.

(40) When any vote is passed, any member voting in the majority may move to reconsider on the same or the next legislative day, except as provided in Rule 39: and when a motion for reconsideration has been decided, it shall not be reconsidered. A motion to reconsider shall not be debated.

(41)(a) A member may claim the floor on a question of personal privilege for no more than five (5) minutes to reply to criticism, or to discuss anything clearly derogatory, or which reflects upon his or her character, or upon the House in general, that appears in the press or other public medium, but not to discuss favorable references to himself or herself.

(b) No member is permitted to attack another member of the House personally, nor to make false statements about, or question the integrity of, another member.

(42)(a) The presiding officer may refer to "Mason's Manual of Legislative Procedure," most recent edition, published by the National Conference of State Legislatures, for guidance as to procedure on the floor of the House in all cases in which its provisions are not inconsistent with applicable law or these rules.

(b) A point of order is the parliamentary device used to require a deliberative body to observe its own rules and to follow established parliamentary practice. A point of order is proper during a floor debate when a member questions whether there has been a breach of order or of the rules. The Speaker shall not entertain one point of order while another is pending. A point of order must be raised at the time the particular question is pending. No member shall be permitted to present argument under the guise of a point of order, a point of parliamentary inquiry, or a question. No member shall resort to persistent irrelevance or persistent repetition.

Sixthly -- Of Admission to the Floor
