AN ACT RELATING TO MOTOR AND OTHER VEHICLES -- REGISTRATION OF
MOTOR VEHICLES -- SUPPORT OF PUBLIC EDUCATION PLATES

Mr. Speaker:

I hereby move to amend 2010 -- H 7164, entitled "AN ACT RELATING TO MOTOR AND OTHER VEHICLES -- REGISTRATION OF MOTOR VEHICLES -- SUPPORT OF PUBLIC EDUCATION PLATES", as follows:

(1) By deleting all language following the enactment clause and substituting the following language in place thereof:

"SECTION 1. Chapter 31-3 of the General Laws entitled "Registration of Vehicles" is hereby amended by adding thereto the following section:

31-3-88. Special plate in support of public education. -- (a) The administrator of the division of motor vehicles is empowered to make available a special motor vehicle registration plate in support of public education. The plate shall bear the designation "Support Public Education", and shall bear a design chosen by the commissioner of elementary and secondary education and which shall depict a ruler and an apple.

(b) The special plate shall be displayed upon the same registration number assigned to the vehicle for which it was issued, and shall be used in place of, and in the same manner as the registration plates issued to the vehicle. The original registration plates for the vehicle shall be removed from the vehicle and the registration certificate for the plates shall be carried in the vehicle, in accordance with section 31-3-9. The registration certificate shall be in effect for the special plate.

(c) The "Support Public Education" motor vehicle plates shall be the same size as regular motor vehicle plates and shall be designed in conjunction with the division of motor vehicles, with the design approved by the Rhode Island state police.

(d) The "Support Public Education" motor vehicle plates shall be subject to a minimum pre-paid order of at least nine hundred (900) sets of plates. The Rhode Island "Support Public Education" plates shall not be issued unless the minimum order requirements are met.

(e) The administrator of motor vehicles shall develop application forms, prepayment procedures and any other procedures deemed necessary to carry out the purposes of this section.

(f) In addition to the regular prescribed motor vehicle registration fee, "Support Public Education" motor vehicle plates shall be subject to a forty dollar (\$40.00) issuance surcharge.

(g) The forty dollar (\$40.00) issuance surcharge shall be allocated as follows: twenty dollars (\$20.00) shall be allocated to the division of motor vehicles for its costs in manufacturing and distributing the special plates and the remaining twenty dollars (\$20.00) shall be distributed annually, based upon the vehicle registration, to the local school districts for educational purposes.

(h) There shall be no refunds for early cancellation of "Support Public Education" motor vehicle plates.

SECTION 2. This act shall take effect upon passage."

"(iv) The amended power purchase agreement is likely to provide environmental benefits, including the reduction of carbon emissions. For the purposes of this section the general definition of commercial reasonableness set forth in subsection 39-26.1-2(1) shall not apply. Notwithstanding any other provisions of the general or public laws to the contrary, for the purposes of review of the amended PPA, "commercially reasonable" means terms and pricing that are reasonably consistent with what an experienced power market analyst would expect to see for similar quantities of renewable or REC certified energy available in the area, meaning on the New England Power Pool grid, but allowing for upward deviations from that price commensurate with environmental and economic benefits to be realized by the citizens of Rhode Island. To the extent that the evidentiary record for the docket on the amended PPA lacks credible or comprehensive evidence for the PUC to make such a finding or the PUC reasonably anticipates such a deficiency the PUC may engage expert witnesses of their choosing to be compensated in accordance with standard practice to summarize, clarify or augment the record adding ten (10) business days to the relevant deadline for action on this docket to allow for such expert review. For the purposes of this section, the economic development corporation and the

Rhode Island department of environmental management are hereby recognized as interveners, not however subject as interveners to responsive duties outside their respective competencies or this section unless said corporation or department shall separately seek and qualify for a wider role as intervener."
