A N A C T  
RELATING TO PROPERTY - FORM AND EFFECT OF CONVEYANCES

\*\*\*

1           This act would provide that all transfers of a mortgage interest be recorded so as to  
2 provide a clean chain of title for consumers to track the owner of their mortgage loans. This act  
3 would prohibit the recording of mortgages and assignments in the name of a party other than the  
4 holder of the note secured by the mortgage. This act would also render certain prior recorded  
5 mortgages and assignments invalid unless certain steps were taken to bring the document into  
6 compliance with the act.

7           This act would take effect upon passage.
