12 at least a majority of the registered voters in a particular city or town, is returned as undeliverable
13 to any one or more of the voters to whom it was mailed, the local board may commence the
14 confirmation process described in subsection (b) of this section. (b) The confirmation notice shall
15 be sent by first-class forwardable mail and shall be of any size or other specifications that shall be
16 determined by the state board. The notice shall include a voter registration form that may be used

6 residence address or if you have permanently changed your residence address but continue to live
7 in the same city or town you should immediately return the voter registration form no later than
8 fourteen (14) days after the date of this mailing even if this notice was mailed to your correct

19 voter has not responded within fourteen (14) days from the date of the mailing, the voter shall
20 remain on or be placed on the inactive list and shall not be permitted to vote until the voter has
21 signed an affirmation form at either the approved polling place or at the local board of canvassers
22 as provided in this chapter. [Any application for a mail ballot under § 17-20-2.1 or an emergency](#)
23 [mail ballot under § 17-20-2.2 shall serve as a proper affirmation form under this section, if the](#)
24 [address is the same as the voter's current address on record with the board of canvassers.](#) If the
25 voter fails to vote by the second general election following the date of the confirmation mailing,
26 then the voter shall be removed from the voting list. Notwithstanding the foregoing provisions, if
27 the confirmation mailing was based upon the change of address information provided by or
28 through the United States Postal Service National Change of Address Program, and the voter has
29 failed to respond to the confirmation mailing, the voter shall remain on the active list of voters
30 and shall not be required to sign the affirmation form. In these cases, the voter's residence address
31 for voting purposes will be changed by the local board to the new address as indicated by the
32 National Change of Address Program. (f) Local boards shall be required to maintain for a period
33 of at least two (2) years a record of all outgoing confirmation mailings, including the reasons for

13 chapter and compare the signature on the ballot application with the signature contained on the
14 original registration card, except as may be otherwise provided by law, to satisfy itself that the
15 applicant is a qualified voter. Upon determining that it does meet each requirement of this chapter
16 and that the signature appears to be the same, the local board shall mark the application
17 "accepted" and record in the space provided on the ballot application the senatorial,
18 representative, and voting district in which the applicant should vote.

19 (b) The local board shall also record the city or town code and district information in the
20 mailing label section of the mail ballot application. The local board shall also print or type the

22 accept the application, the local board shall return the application to the elector, together with a
23 form prescribed by the secretary of state, specifying the reason or reasons for the return of the
24 application.

25 (c) Not later than 4:00 p.m. on the eighteenth (18th) day before the day of any election
26 referred to in this chapter or within seven (7) days of receipt by the local board, whichever occurs
27 first, the local board shall certify the applications to the secretary of state through the CVRS
28 system as this procedure is prescribed by the secretary of state. Upon the certification of a mail

30 that a mail ballot application for the voter has been certified and shall cause the delivery of the
31 certified mail ballot applications together with the signed certified listing thereof in sealed
32 packages to the state board of elections.

33 (d) (1) Upon the ballots becoming available, the secretary of state shall immediately,
34 issue and mail, by first class mail, postage prepaid, a mail ballot to each eligible voter who has

5 (2) The secretary of state shall include on the mail ballot envelope a numerical or
6 alphabetical code designating the city or town where the voter resides. The secretary of state shall
7 immediately thereafter indicate on the voter's record that the secretary of state has sent mail
8 ballots provided, that this mark shall serve solely to indicate that a mail ballot has been issued and
9 shall not be construed as voting in the election.

10 (e) Prior to each election, the secretary of state shall also furnish to the chairperson of the
11 state committee of each political party a list of the names and residence addresses of all persons
12 to whom mail ballots have been issued. The secretary of state shall also furnish to a candidate for

14 mail ballots have been issued within his or her district.

15 (f) If a ballot is returned to the secretary of state by the postal service as undeliverable,
16 the secretary of state shall consult with the appropriate local board to determine the accuracy of

18 using the corrected address provided by the local board. If the local board is unable to provide a
19 different address than that to which the ballot was originally mailed, the ballot shall be reissued
20 by the secretary of state to the board of canvassers in the city or town where the voter resides
21 utilizing the numerical or alphabetical code established in subsection (d) of this section. The
22 board shall then attempt to notify the voter at his or her place of residence that the ballot has been
23 returned as undeliverable. The ballot must be voted and witnessed in accordance with the
24 provisions of this chapter.

25 (g) The acceptance of a mail ballot application by the board of canvassers and the
26 issuance of a mail ballot by the secretary of state shall not create any presumption as to the
27 accuracy of the information provided by the applicant or as to the applicant's compliance with the
28 provisions of this chapter. Any inaccuracy in the provided information or irregularity in the
29 application may be raised as a challenge to the ballot before the board of elections at the time of
30 certification. If the challenge raised at that time is meritorious, the ballot shall be voided.

31 (h) Within two (2) business days of receipt by the local board, the board shall certify
