2 42-46-11 and 42-46-13 of the General Laws in Chapter 42-46 entitled "Open Meetings" are
3 hereby amended to read as follows:

4 **42-46-1. Public policy.**

5 It is essential to the maintenance of a democratic society that public business be
6 performed in an open and public manner and that the citizens be advised of and aware of the
7 performance of public officials and the deliberations and decisions that go into the making of
8 public policy. Advances in technology should be used to allow and enable the public increased
9 opportunities to observe the performance and deliberations of their public officials as well as
10 provide greater access to material used in the course of the making of public policy.

11 **42-46-2. Definitions.**

12 As used in this chapter:

13 (1) "Meeting" means the convening of a public body to discuss and/or act upon a matter
14 over which the public body has supervision, control, jurisdiction, or advisory power. As used
15 herein, the term "meeting" expressly includes, without limiting the generality of the foregoing,
16 so-called "workshop," "working," or "work" sessions or "retreats".

17 (2) "Joint meeting" means the convening of two (2) or more public bodies to discuss or
18 act upon a matter over which the public bodies have supervision, control, jurisdiction, or advisory
19 power. As used herein, the term "meeting" expressly includes, without limiting the generality of

1 the foregoing, so-called "workshop," "working," or "work sessions", or "retreats."

9 the term "public body" expressly includes, without limiting the generality of the foregoing, so-
10 called "advisory panels," "review panels," "review committees," or "task forces." For purposes of
11 this section, any political party, organization, or unit thereof meeting or convening is not and
12 should not be considered to be a public body; provided, however, that no such meeting shall be
13 used to circumvent the requirements of this chapter. For purposes of this section, members-elect
14 of a public body shall be subject to the requirements of this chapter.

15 ~~(4)~~(5) "Quorum", unless otherwise defined by applicable law, means a simple majority of
16 the membership of a public body. For purposes of this section, ex officio nonvoting members, and

26 public body has supervision, control, jurisdiction, or advisory power.

27 ~~(5) "Prevailing plaintiff" includes those persons and entities deemed "prevailing parties"~~
28 ~~pursuant to 42 U.S.C. § 1988.~~

29 ~~(6)~~(7) "Open forum" means the designated portion of an open meeting, if any, on a
30 properly posted notice reserved for citizens to address comments to a public body relating to
31 matters affecting the public business.

32 (8) "Recordation" means the recording of the sound or video of an open meeting by use
33 of any electronic device designed to capture audio, photographs, or video of the public body.

34 (9) "Ceremonial speech or comment" means any comment or speech made by a member

1 of a public body meant to express thanks, condolences, or other expressions of good will,
2 fellowship, or fraternity.

3 **42-46-4. Closed meetings.**

4 (a) By open call, a public body may hold a meeting closed to the public upon an
5 affirmative vote of the majority of its members. A meeting closed to the public shall be limited to
6 matters allowed to be exempted from discussion at open meetings by § 42-46-5. The vote of each
7 member on the question of holding a meeting closed to the public and the reason for holding a
8 closed meeting, by a citation to a subdivision of § 42-46-5(a), and a statement specifying the
9 nature of the business to be discussed, shall be recorded and entered into the minutes of the
10 meeting.

11 (b) No public body shall discuss in closed session any public matter which does not fall
12 within the citations to § 42-46-5(a) referred to by the public body in voting to close the meeting,
13 even if these discussions could otherwise be closed to the public under this chapter.

14 ~~(b)~~(c) All votes taken in closed sessions shall be disclosed once the session is reopened;
15 provided, however, ~~a~~ the specific vote taken in a closed session need not be disclosed for the
16 period of time during which its disclosure would jeopardize any strategy, negotiation or
17 investigation undertaken pursuant to discussions conducted under § 42-46-5(a); and further
18 provided, however, the public body must disclose that a vote did occur. The subject and results
19 from a vote not disclosed at a meeting shall be disclosed at the next regularly scheduled meeting
20 of the public body unless the public body takes a vote in a properly noticed closed session
21 pursuant to § 42-46-5 affirming that disclosure of the vote would continue to jeopardize a
22 strategy, negotiation or investigation exempt from disclosure under § 42-46-5(a) and announces
23 in public that such a vote was taken.

24 ~~**42-46-5. Purposes for which meeting may be closed --- Use of electronic**~~
25 ~~**communications --- Judicial proceedings --- Disruptive conduct. Purposes for which meeting**~~

28 or more of the following purposes:

29 (1) Any discussions of the job performance, character, or physical or mental health of a
30 person or persons provided that such person or persons affected shall have been notified in
31 advance in writing and advised that they may require that the discussion be held at an open
32 meeting.

33 Failure to provide such notification shall render any action taken against the person or
34 persons affected null and void. Before going into a closed meeting pursuant to this subsection, the

1 public body shall state for the record that ~~any~~ the affected persons to be discussed have been so
2 notified and this statement shall be noted in the minutes of the meeting.

3 (2) Meetings or work Sessions pertaining to collective bargaining ~~or litigation, or work~~
4 ~~sessions pertaining to collective bargaining or litigation;~~ provided, however, a public body may
5 not enter closed session for purposes of discussion with a representative for a group of
6 employees.

7 (3) Meetings to discuss actual or imminent litigation. For purposes of this section, a
8 public body may only enter closed session for matters of actual or threatened in writing, litigation
9 concerning the public body or persons employed by the public body. Mere presence of the public
10 body's legal counsel does not satisfy the requirements for a closed session. In citing to this
11 subsection, the public body shall list the case caption, the case number, and court or
12 administration agency where the matter is being litigated if litigation has been filed in court or an
13 administrative agency.

14 ~~(3)~~(4) Discussion regarding the matter of security including, but not limited to, the
15 deployment of security personnel or devices.

16 ~~(4)~~(5) Any investigative proceedings regarding allegations of misconduct, either civil or
17 criminal.

18 ~~(5)~~(6) Any discussions or considerations related to the acquisition or lease of real
19 property for public purposes, or of the disposition of publicly held property wherein advanced
20 public information would be detrimental to the interest of the public.

21 ~~(6)~~(7) Any discussions related to or concerning a prospective business or industry
22 locating in the state of Rhode Island when an open meeting would have a detrimental effect on
23 the interest of the public.

24 ~~(7)~~(8) A matter related to the question of the investment of public funds where the
25 premature disclosure would adversely affect the public interest. Public funds shall include any
26 investment plan or matter related thereto, including, but not limited to, state lottery plans for new
27 promotions.

28 ~~(8)~~(9) Any executive sessions of a local school committee exclusively for the purposes:
29 (i) of conducting student disciplinary hearings; or (ii) of reviewing other matters which relate to
30 the privacy of students and their records, including all hearings of the various juvenile hearing
31 boards of any municipality; provided, however, that any affected student shall have been notified
32 in advance in writing and advised that he or she may require that the discussion be held in an
33 open meeting.

34 Failure to provide such notification shall render any action taken against the student or

1 students affected null and void. Before going into a closed meeting pursuant to this subsection,
2 the public body shall state for the record that any students to be discussed have been so notified
3 and this statement shall be noted in the minutes of the meeting.

4 ~~(9)(10)~~ Any hearings on, or discussions of, a grievance filed pursuant to a collective
5 bargaining agreement.

6 ~~(10)(11)~~ Any discussion of the personal finances of a prospective donor to a library.

7 ~~(b) No meeting of members of a public body or use of electronic communication,
8 including telephonic communication and telephone conferencing, shall be used to circumvent the
9 spirit or requirements of this chapter; provided, however, these meetings and discussions are not
10 prohibited.~~

11 ~~(1) Provided, further however, that discussions of a public body via electronic
12 communication, including telephonic communication and telephone conferencing, shall be
13 permitted only to schedule a meeting.~~

14 ~~(2) Provided, further however, that a member of a public body may participate by use of
15 electronic communication or telephone communication while on active duty in the armed services
16 of the United States.~~

17 ~~(3) Provided, further however, that a member of that public body, who has a disability as
18 defined in chapter 87 of title 42 and:~~

19 ~~(i) Cannot attend meetings of that public body solely by reason of his or her disability;
20 and~~

21 ~~(ii) Cannot otherwise participate in the meeting without the use of electronic
22 communication or telephone communication as reasonable accommodation, may participate by
23 use of electronic communication or telephone communication in accordance with the process
24 below.~~

25 ~~(4) The governor's commission on disabilities is authorized and directed to:~~

26 ~~(i) Establish rules and regulations for determining whether a member of a public body is
27 not otherwise able to participate in meetings of that public body without the use of electronic
28 communication or telephone communication as a reasonable accommodation due to that
29 member's disability;~~

30 ~~(ii) Grant a waiver that allows a member to participate by electronic communication or
31 telephone communication only if the member's disability would prevent him/her from being
32 physically present at the meeting location, and the use of such communication is the only
33 reasonable accommodation; and~~

34 ~~(iii) Any waiver decisions shall be a matter of public record.~~

1 (c) ~~This chapter shall not apply to proceedings of the judicial branch of state government~~
2 ~~or probate court or municipal court proceedings in any city or town.~~

3 (d) ~~This chapter shall not prohibit the removal of any person who willfully disrupts a~~
4 ~~meeting to the extent that orderly conduct of the meeting is seriously compromised.~~

5 **42-46-6. Notice.**

6 (a) All public bodies shall give written notice of their regularly scheduled meetings at the
7 beginning of each calendar year. The notice shall include the dates, times, and places of the
8 meetings and shall be provided to members of the public upon request and to the secretary of
9 state at the beginning of each calendar year in accordance with subsection (f). If the dates, times,
10 or places of the regularly scheduled meetings are changed during the calendar year, the public
11 body shall update the written notice and refile them with the secretary of state in accordance with
12 subsection (f) of this section.

13 (b) Public bodies shall give supplemental written public notice of any meeting within a
14 minimum of forty-eight (48) hours, excluding weekends and state holidays in the count of hours,
15 before the date of the hearing. This supplemental notice shall include the date the notice was
16 posted; the date, time, and place of the meeting; and a statement specifying the nature of the
17 business to be discussed. Copies of the supplemental notice shall be maintained by the public
18 body for a minimum of one year in a format that allows for their physical retrieval. ~~Nothing~~
19 ~~contained herein shall prevent a public body, other than a school committee, from adding~~
20 ~~additional items to the agenda by majority vote of the members. School committees may,~~
21 ~~however, add items for informational purposes only, pursuant to a request, submitted in writing,~~
22 ~~by a member of the public during the public comment session of the school committee's~~
23 ~~meetings. Said informational items may not be voted upon unless they have been posted in~~
24 ~~accordance with the provisions of this section. Such additional items shall be for informational~~
25 ~~purposes only and may not be voted on except where necessary to address an unexpected~~
26 ~~occurrence that requires immediate action to protect the public or to refer the matter to an~~
27 ~~appropriate committee or to another body or official.~~ Nothing contained herein shall prevent a
28 public body from adding additional items to the agenda by majority vote of the members;
29 provided, however, such items shall not be used to circumvent the notice requirement of
30 subsection (b) of this section. Such additional items shall be for informational purposes only and
31 may not be voted on except when necessary to address an unexpected occurrence that requires
32 immediate action to protect the public or to refer the matter to an appropriate committee or to
33 another body or official.

34 (c) Written public notice shall include, but need not be limited to, posting a copy of the

1 [supplemental](#) notice at the principal office of the public body holding the meeting, or if no
2 principal office exists, at the building in which the meeting is to be held, and in at least one other
3 prominent place within the governmental unit, and electronic filing of the [supplemental](#) notice
4 with the secretary of state pursuant to subsection (f) [of this section, and making a copy available](#)
5 [on the public body's website if a website is maintained](#); ~~however, nothing contained herein shall~~
6 ~~prevent a public body from holding an emergency meeting, upon an affirmative vote of the~~
7 ~~majority of the members of the body when the meeting is deemed necessary to address an~~
8 ~~unexpected occurrence that requires immediate action to protect the public. If an emergency~~
9 ~~meeting is called, a meeting notice and agenda shall be posted as soon as practicable and shall be~~
10 ~~electronically filed with the secretary of state pursuant to subsection (f) and, upon meeting, the~~
11 ~~public body shall state for the record and minutes why the matter must be addressed in less than~~
12 ~~forty eight (48) hours in accordance with subsection (b) of this section and only discuss the issue~~
13 ~~or issues that created the need for an emergency meeting. Nothing contained herein shall be used~~
14 ~~in the circumvention of the spirit and requirements of this chapter.~~

15 (d) ~~Nothing within this chapter shall prohibit any public body, or the members thereof,~~
16 ~~from responding to comments initiated by a member of the public during a properly noticed open~~
17 ~~forum even if the subject matter of a citizen's comments or discussions were not previously~~
18 ~~posted, provided such matters shall be for informational purposes only and may not be voted on~~
19 ~~except where necessary to address an unexpected occurrence that requires immediate action to~~
20 ~~protect the public or to refer the matter to an appropriate committee or to another body or official.~~
21 ~~Nothing contained in this chapter requires any public body to hold an open forum session to~~
22 ~~entertain or respond to any topic nor does it prohibit any public body from limiting comment on~~
23 ~~any topic at such an open forum session. No public body, or the members thereof, may use this~~
24 ~~section to circumvent the spirit or requirements of this chapter.~~

25 (e) ~~A school committee may add agenda items not appearing in the published notice~~
26 ~~required by this section under the following conditions:~~

27 (1) ~~The revised agenda is electronically filed with the secretary of state pursuant to~~
28 ~~subsection (f), and is posted on the school district's website and the two (2) public locations~~
29 ~~required by this section at least forty eight (48) hours in advance of the meeting in accordance~~
30 ~~with subsection (b) of this section;~~

31 (2) ~~The new agenda items were unexpected and could not have been added in time for~~
32 ~~newspaper publication;~~

33 (3) ~~Upon meeting, the public body states for the record and minutes why the agenda~~
34 ~~items could not have been added in time for newspaper publication and need to be addressed at~~

1 ~~the meeting;~~

2 (4) ~~A formal process is available to provide timely notice of the revised agenda to any~~
3 ~~person who has requested that notice, and the school district has taken reasonable steps to make~~
4 ~~the public aware of this process; and~~

5 (5) ~~The published notice shall include a statement that any changes in the agenda will be~~
6 ~~posted on the school district's website and the two (2) public locations required by this section~~
7 ~~and will be electronically filed with the secretary of state at least forty eight (48) hours in advance~~
8 ~~of the meeting in accordance with subsection (b) of this section.~~

9 (f) ~~All notices required by this section to be filed with the secretary of state shall be~~
10 ~~electronically transmitted to the secretary of state in accordance with rules and regulations that~~
11 ~~shall be promulgated by the secretary of state. This requirement of the electronic transmission and~~
12 ~~filing of notices with the secretary of state shall take effect one year after this subsection takes~~
13 ~~effect.~~

14 (g) ~~If a public body fails to transmit notices in accordance with this section, then any~~
15 ~~aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.~~

16 (h) Beginning January 1, 2020, all public bodies shall post their electronic filing with the
17 secretary of state all public documents to be discussed at the notice meeting.

30 (6) Note where recording is publicly available.

31 (b) (1) A record of all votes taken at all meetings of public bodies, listing how each
32 member voted on each issue, shall be a public record and shall be posted electronically online on
33 a public body's website, the secretary of state's website, and made available to the public at the
34 office of the public body within ~~two (2) weeks~~ seven (7) days of the date of the vote. The minutes

1 shall be public records and unofficial minutes shall be available to the public at the office of the
2 public body within ~~thirty five (35)~~ twenty-one (21) days of the meeting ~~or at~~ but no later than five
3 (5) days prior to the next regularly scheduled meeting, whichever is earlier, except where the
4 disclosure would be inconsistent with §§ 42-46-4 and 42-46-5 or where the public body by
5 majority vote extends the time period for the filing of the minutes and publicly states the reason.

6 (2) In addition to the provisions of subsection (b)(1), all volunteer fire companies,
7 associations, fire district companies, or any other organization currently engaged in the mission of
8 extinguishing fires and preventing fire hazards, whether it is incorporated or not, and whether it is
9 a paid department or not, shall post unofficial minutes of their meetings within twenty-one (21)
10 days of the meeting, but not later than seven (7) days prior to the next regularly scheduled
11 meeting, whichever is earlier, on the secretary of state's website.

12 (c) The minutes of a closed session shall be made available at the next regularly
13 scheduled meeting unless the majority of the body votes to keep the minutes closed pursuant to
14 §§ 42-46-4 and 42-46-5. At the end of each calendar year, a public body shall make all minutes
15 closed during the present calendar year available pursuant to this section unless the public body
16 takes a vote in a properly noticed closed session pursuant to § 42-46-5 and affirms in open
17 session that the minutes can remain subject to closure pursuant to § 42-64-4(c).

18 (d) All public bodies shall keep official and/or approved minutes of all meetings of the

20 inspection by the public within thirty-five (35) days of the meeting, or within five (5) days of the
21 next scheduled meeting, whichever is earlier, and make available on the public body's website if a

24 (e) All minutes and unofficial minutes required by this section to be filed with the
25 secretary of state shall be electronically transmitted to the secretary of state in accordance with
26 rules and regulations that shall be promulgated by the secretary of state. If a public body fails to
27 transmit minutes or unofficial minutes in accordance with this subsection, then any aggrieved

29 (f) A public body may be subject to a fine of not less than one hundred dollars (\$100) for
30 each document found to be in noncompliance with this section.

31 **42-46-8. Remedies available to aggrieved persons or entities.**

32 (a) Any citizen or entity of the state who is aggrieved as a result of violations of the
33 provisions of this chapter may file a complaint with the attorney general. The attorney general
34 shall investigate the complaint and if the attorney general determines that the allegations of the

1 complaint are meritorious ~~he or she~~ the attorney general may file a complaint on behalf of the
2 complainant in the superior court against the public body. The presence or absence of a person or
3 entity at a meeting of a public body shall not disqualify the person or entity from seeking
4 remedies available under this chapter.

5 (b) No complaint may be filed by the attorney general after ~~one hundred eighty (180)~~
6 three hundred sixty-five (365) days from the date of public approval of the minutes of the meeting
7 at which the alleged violation occurred, or, in the case of an unannounced or improperly closed
8 meeting, after ~~one hundred eighty (180)~~ three hundred sixty-five (365) days from the public
9 action of a public body revealing the alleged violation, whichever is greater.

10 (c) Nothing within this section shall prohibit any individual from retaining private
11 counsel for the purpose of filing a complaint in the superior court within the time specified by this
12 section against the public body which has allegedly violated the provisions of this chapter;
13 provided, however, that if the individual has first filed a complaint with the attorney general
14 pursuant to this section, and the attorney general declines to take legal action, the individual may
15 file suit in superior court within ninety (90) days of the attorney general's closing of the complaint
16 or within one hundred eighty (180) days of the alleged violation, whichever occurs later.

17 (d) The court shall award reasonable attorney fees and costs to a prevailing plaintiff,
18 other than the attorney general, except where special circumstances would render such an award
19 unjust. The court may issue injunctive relief and declare null and void any actions of a public
20 body found to be in violation of this chapter. In addition, the court may impose a civil fine not
21 exceeding five thousand dollars (\$5,000) against a public body or any of its members found to
22 have committed a willful or knowing violation of this chapter and a civil fine not to exceed one
23 thousand dollars (\$1,000) against a public body found to have recklessly violated this chapter. A
24 judgment in the plaintiff's favor shall not be a prerequisite to obtaining an award of attorneys' fees
25 or costs if the court determines that the defendant's case lacked grounding in fact or in existing
26 law or a good faith argument for extension, modification or reversal of existing law.

27 (e) Nothing within this section shall prohibit the attorney general from initiating a
28 complaint on behalf of the public interest.

29 (f) Actions brought under this chapter may be advanced on the calendar upon motion of
30 the petitioner.

31 (g) The attorney general shall consider all complaints filed under this chapter to have also

33 **42-46-11. Reported violations.**

34 Every year the attorney general shall prepare a report summarizing the complaints

1 received pursuant to this chapter, which shall be submitted to the legislature and which shall
2 include information as to how many complaints were found to be meritorious and the action taken
3 by the attorney general in response to those complaints. [The attorney general shall publish the full](#)
4 [text of all complaints and the action taken by the attorney general in response to those complaints,](#)

9 (29 U.S.C. § 794, chapter 87 of this title, and chapter 24 of title 11), shall develop a transition
10 plan setting forth the steps necessary to ensure that all open meetings of said public bodies are
11 accessible to persons with disabilities.

12 (b) The state building code standards committee shall, by September 1, 1989 adopt an
13 accessibility of meetings for persons with disabilities standard that includes provisions ensuring
14 that the meeting location is accessible to and usable by all persons with disabilities.

15 (c) This section does not require the public body to make each of its existing facilities
16 accessible to and usable by persons with disabilities so long as all meetings required to be open to
17 the public pursuant to chapter 46 of this title are held in accessible facilities by the dates specified
18 in subsection (e).

19 (d) The public body may comply with the requirements of this section through such
20 means as reassignment of meetings to accessible facilities, alteration of existing facilities, or
21 construction of new facilities. The public body is not required to make structural changes in
22 existing facilities where other methods are effective in achieving compliance with this section.

23 (e) The public body shall comply with the obligations established under this section by
24 July 1, 1990, except that where structural changes in facilities are necessary in order to comply
25 with this section, such changes shall be made by December 30, 1991, but in any event as
26 expeditiously as possible unless an extension is granted by the state building commissioner for
27 good cause.

28 (f) Each municipal government and school district shall, with the assistance of the state
29 building commission, complete a transition plan covering the location of meetings for all public
30 bodies under their jurisdiction. Each chief executive of each city or town and the superintendent
31 of schools will submit their transition plan to the governor's commission on disabilities for review
32 and approval. The governor's commission on disabilities with assistance from the state building
33 commission shall approve or modify, with the concurrence of the municipal government or
34 school district, the transition plans.

1 (g) The supplemental written notice required by § 42-46-6(b) shall be given sufficiently
2 in advance of the meeting to allow a person to request in a timely manner the presence of an
3 interpreter or other reasonable accommodation for the meeting.

4 ~~(e)~~(h) The provisions of §§ 45-13-7 -- 45-13-10, inclusive, shall not apply to this section.
