

1 investment, the development of an attractive environment that fosters the social welfare and  
2 health of the public.

3 (d) It is further declared that the developmental tools presently available to municipalities  
4 in the state do not contain sufficient flexibility to address the unique problems arising from the  
5 projects and to govern comprehensive and coordinated development of areas subject to these  
6 projects consistently with the previously-declared public needs and purposes. Proper development  
7 of these areas, consistent with the general welfare, may require designation of special land-use  
8 districts and special land-use controls which may be more stringent or more flexible than existing  
9 zoning, planning, and other developmental tools, and may require the adoption, implementation,  
10 and administration of a plan that establishes a framework for development including detailed  
11 design and development criteria, regulations, and enforcement procedures.

12 (e) It is further declared that the most efficient and effective method to further the  
13 previously-declared public policy of the state to encourage the appropriate, comprehensive, and  
14 coordinated development of these properties is to permit the creation of special economic  
15 development districts in the municipalities of the state and the creation of special economic  
16 development district commissions to adopt, implement, and administer plans of development that  
17 establish and enforce design and development criteria and regulations for the development of  
18 these areas.

24 **45-24.6-4. Special economic development districts authorized.**

25 (a) For the purposes stated in § 45-24.6-1, the general assembly may, by statute,  
26 establish, designate, lay out, and define, as special economic development districts, areas that are,  
27 may be or have been the subject of, or substantially affected by combined federal, state, local, or  
28 private action, in the same manner as municipalities are presently empowered to establish,  
29 designate, lay out, and define zoning districts, and which lands are developable or blighted state-  
30 owned tracts or parcels of land, and which at the time of the creation of the district, consist of  
31 twenty (20) or more contiguous acres in size. Properties owned or controlled by the department of  
32 environmental management shall not be subject to the provisions of this chapter.

33 (b) The boundaries of a special economic development district established, designated,  
34 laid out, and defined according to the provisions of this chapter, may be amended only by an act

1 of the general assembly.

2 (c) The powers of the district to achieve the purposes of this chapter shall be exercised by  
3 a commission as herein provided as a public corporation and instrumentality of the state, to adopt,  
4 implement, and administer a plan of development.

5 Each district commission shall consist of seven (7) voting members. The governor of the  
6 state of Rhode Island shall appoint, with the advice and consent of the senate, the seven (7) voting  
7 members of the commission. The commission shall have the sole authority to adopt, implement,  
8 and administer a plan of development for the special economic development district.

9 **45-24.6-5. Powers of commission.**

10 A special economic development district commission established under this chapter shall  
11 have all powers necessary and incidental to the adoption, implementation, and administration of a  
12 plan of development, and any other powers that the general assembly may grant in the creation of  
13 the commission.

14 **45-24.6-6. Adoption of special development district plan – Regulation of structures**  
15 **and uses - Notice.**

16 (a) A special economic development district commission shall adopt a plan of  
17 development. Any plan of development adopted by a special economic development district  
18 commission pursuant to this chapter may regulate and restrict, by means of regulations duly  
19 adopted by the commission, the erection, construction, reconstruction, alteration, repair, or use of  
20 buildings, structures, or land within the special economic development district in a uniform,  
21 consistent, and nondiscriminatory manner that is rationally related to the purposes of this chapter.  
22 The plan may include regulations relating to allowable land uses, the location and use of  
23 buildings, street systems, dimensional, height and area coverage requirements, setbacks and  
24 build-to lines, frontage, parking requirements, landscaping, pedestrian travel, signs, design  
25 review, open spaces, and population density.

26 (b) Pursuant to the plan of development, the commission may divide the special  
27 economic development district into several parcels as indicated on a development map, and may  
28 regulate structures and uses differently in different parcels, so long as regulation of similar  
29 structures and uses is uniform within any one parcel.

30 (c) A plan of development may be adopted or amended only after a public hearing before  
31 the commission, at which all interested parties have an opportunity to be heard. Notice of the  
32 time, place, nature, and purpose of the public hearing shall be given to all owners of real property  
33 within the bounds of the special economic development district and within two hundred feet  
34 (200') of the perimeter thereof, by registered or certified mail at least seven (7) days before the

1 date of the hearing, and by publication of notice in a newspaper of general circulation within the  
2 municipality at least once each week for three (3) successive weeks prior to the date of the  
3 hearing.

4 (d) The municipality shall not have concurrent jurisdiction over the special economic  
5 development district.

6 **45-24.6-7. Permit required to erect, construct, alter, repair, or demolish structure –**

7 **Commission quorum and voting.**

8 (a) Before any structure may be erected, constructed, altered, repaired, or demolished  
9 within a special economic development district, the person proposing the construction or other  
10 alteration shall file with the commission an application for permission to erect, construct, alter,  
11 repair, or demolish the structure, together with plans and specifications, all that may be required  
12 by regulations adopted by the commission. It is the duty of the commission to review the  
13 application, plans, and specifications, and no building permit shall be granted until the  
14 commission has acted on it. No construction or other alteration of a structure may be undertaken  
15 within a special development district without a permit. The commission may, by regulation,  
16 coordinate permit approvals with state building officials and fire marshals, city or town officials  
17 or independent staff or consultants.

18 (b) Nothing in this chapter prevents or is to be construed to prevent ordinary maintenance  
19 or repair of any structure within the special economic development district; nor shall anything in  
20 this chapter prevent or be construed to prevent the continuance of the use of any building or  
21 improvement for any purpose to which the building or improvement was lawfully devoted at the  
22 time of the adoption of a plan of development, or to prevent or be construed to prevent the  
23 erection, construction, alteration, repair, or demolition of any structure under a permit issued by  
24 the inspector of buildings prior to the adoption of a plan of development pursuant to this chapter.

25 (c) At all meetings of the commission, a majority of the commissioners is necessary and  
26 sufficient to constitute a quorum for the transaction of business, and the act of a majority of the  
27 commissioners present at any meeting at which there is a quorum is the act of the commission,  
28 except as otherwise provided by law.

29 **45-24.6-8. Variances, deviations, and special exceptions.**

30 (a) Any commission that adopts or has adopted a plan conforming to this chapter has the  
31 authority to grant variances, deviations, and special exceptions of any regulations adopted  
32 pursuant to that plan, upon the application of an aggrieved property owner:

33 (1) Special exceptions to the terms of the regulations may be granted in those cases  
34 specified in the regulations, and subject to those conditions and safeguards specified therein,

1 where the use granted by special exception is reasonably necessary for the convenience or welfare  
2 of the public and does not substantially or permanently injure the value of neighboring property.

3 (2) Variances may be granted where, owing to special conditions, enforcement of the  
4 regulations would result in unnecessary hardship, where the variance will not be contrary to the  
5 public interest, and the spirit of the plan will be observed and substantial justice done.

6 (3) Deviations may be granted where the enforcement of the regulations relating to  
7 setbacks, build-to lines, and other area and dimensional restrictions would preclude the full  
8 enjoyment by the owner of a permitted use and amount to more than a mere inconvenience.

9 (b) The commission shall hold a hearing on the application within a reasonable time, and  
10 give public notice and due notice of the hearing to the parties in interest and property owners  
11 within two hundred feet (200') of the affected property. At any hearing any party may appear in  
12 person or by agent or attorney.

13 (c) Nothing in this chapter shall be construed to restrict, amend, repeal, or otherwise  
14 supersede the jurisdiction of the commission regarding any area designated a special development  
15 district pursuant to this chapter.

16 **45-24.6-9. Appeals to superior court.**

17 (a) Any person or persons jointly or severally aggrieved by a decision of the commission  
18 may appeal to the superior court for the county in which the special economic development  
19 district is situated by filing a complaint stating the reasons of appeal within twenty (20) days after  
20 the decision has been filed in the office of the commission. The commission shall file the original  
21 documents acted upon by it and constituting the record of the hearing appealed from, or certified  
22 copies of the documents, together with any other facts that may be pertinent, with the clerk of the  
23 court within ten (10) days after being served with a copy of the complaint. When the complaint is  
24 filed by someone other than the original applicant or appellant, the original applicant or appellant  
25 and the members of the commission shall be made parties to the proceedings. The appeal shall  
26 not stay proceedings upon the decision being appealed, but the court may, in its discretion, grant a  
27 stay on appropriate terms and make any other orders that it deems necessary for an equitable  
28 disposition of the appeal.

29 (b) If, before the date set for hearing in the superior court, an application is made to the  
30 court for leave to present additional evidence before the commission, and it is shown to the  
31 satisfaction of the court that the additional evidence is material and that there were good reasons  
32 for the failure to present it at the hearing before the commission, the court may order that the  
33 additional evidence be taken before the commission upon conditions determined by the court. The  
34 commission may modify its findings and decision by reason of the additional evidence and file

1 that evidence and any modifications, new findings, or decisions with the superior court.

2 (c) The review shall be conducted by the superior court without a jury. The court shall  
3 consider the record of the hearing before the commission, and if it appears to the court that  
4 additional evidence is necessary for the proper disposition of the matter, it may allow any party to  
5 the appeal to present evidence in open court, which evidence, along with the record shall  
6 constitute the record upon which the determination of the court is made.

7 (d) The court shall not substitute its judgment for that of the commission as to the weight  
8 of the evidence on questions of fact. The court may affirm the decision of the commission or  
9 remand the case for further proceedings, or may reverse or modify the decision if substantial  
10 rights of the appellant have been prejudiced because of findings, inferences, conclusions, or  
11 decisions which are:

12 (1) In violation of constitutional, statutory provisions;

13 (2) In excess of the authority granted to the commission by statute;

14 (3) Made upon unlawful procedure;

15 (4) Affected by other error of law;

16 (5) Clearly erroneous in view of the reliable, probative, and substantial evidence of the  
17 whole record; or

18 (6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted  
19 exercise of discretion.

20 **45-24.6-10. Construction of chapter.**

21 Whenever the context permits in this chapter, the use of the plural includes the singular,  
22 the singular, the plural, and the use of any gender is deemed to include all genders.

23 **45-24.6-11. Severability.**

24 If any one or more sections, clauses, sentences, or parts of this chapter are for any reason  
25 adjudged unconstitutional or invalid in any court, the judgment does not affect, impair, or  
26 invalidate the remaining provisions of this chapter, but are confined in its operation to the specific  
27 provisions so held unconstitutional or invalid, and the inapplicability or invalidity of any section,  
28 clause, or provision of this chapter in any one or more instances or circumstances shall not be  
29 taken to affect or prejudice in any way its applicability or validity in any other instance.

30 **45-24.6-12. Applicability of other laws.**

31 (a) Any special economic development district commission created pursuant to this  
32 chapter will not be subject to the provisions of §§ 42-35-1 through 42-35-18. Any commission  
33 and its members will be subject to the provisions of §§ 36-14-1 through 36-14-19 and §§ 42-46-1  
34 through 42-46-14.

1           **(b) In the event of a conflict between the provisions of this chapter and any other**  
2 **provisions of the general laws governing the powers of any other district commission created by**  
3 **or pursuant to the general laws, including but not limited to the I-195 redevelopment district**  
4 **established pursuant to chapter 64.14 of title 42, the provisions of this chapter shall prevail. The**  
5 **provisions of this chapter shall also prevail over any district commissions established by**  
6 **legislation promulgated after the effective date of this act, unless specifically exempted by that**  
7 **legislation.**

8           SECTION 2. Sections 42-64.14-5, 42-64.14-8 and 42-64.14-18 of the General Laws in  
9 Chapter 42-64.14 entitled "The I-195 Redevelopment Act of 2011" are hereby amended to read as  
10 follows:

11           **42-64.14-5. The I-195 redevelopment district created.**

22 provided, however, the commission may, from time to time, pursuant to action taken at a meeting  
23 of the commission in public session, adjust the boundaries of parcel P4 provided that at all times  
24 parcel P4 shall contain no fewer than one hundred eighty-six thousand one hundred eighty-six  
25 square feet (186,186 ft<sup>2</sup>) of land and provided, further, that the city of Providence shall not be  
26 responsible for the upkeep of the parks unless a memorandum of understanding is entered into  
27 between the commission or the state and the city of Providence that grants full funding to the city  
28 for that purpose.

29           (b) **The property owned by the district is designated as a special economic development**  
30 **district pursuant to § 45-24.6-4 and constitutes state-owned land within the meaning of that**

2 zoning ordinances pursuant to § 45-24-27 et seq. as previously enacted by the city of Providence,  
3 and as may be enacted and/or amended from time to time through July 1, 2012, or enacted and/or  
4 amended thereafter with the consent of the commission.

5 ~~(e)~~(d) The city of Providence shall not be required to install or pay for the initial  
6 installation of any public or private utility infrastructure within the district.

7 ~~(d)~~(e) It is the intent of the general assembly by the passage of this chapter to vest in the  
8 commission all powers, authority, rights, privileges, and titles that may be necessary to enable it  
9 to accomplish the purposes herein set forth, and this chapter and the powers granted hereby shall  
10 be liberally construed in conformity with those purposes.

11 **42-64.14-8. Additional general powers.**

12 In addition to the powers of the commission otherwise provided herein, the commission  
13 shall have the powers set forth below and shall be subject to the limitations herein set forth.  
14 Except as may be expressly limited by action of the commission at a regular or special meeting,  
15 the commission shall have the powers necessary to put into effect the powers of the commission  
16 as set forth below and as herein limited.

17 (a) The commission is authorized and empowered to fix, revise, charge, collect, and abate  
18 fees, rates, assessments, delinquency charges, and other charges for its services, and other  
19 services, facilities, and commodities furnished or supplied by it including penalties for violations

23 commission for assuring that interested persons are afforded notice and an opportunity to present

30 abatements, and other charges established by the commission shall not be subject to supervision  
31 or regulation by any department, division, district, board, bureau, or agency of the state or any of

9 development and maintenance within the district as uniformly applied throughout the city of  
10 Providence, including, but not limited to, utility tie-in, connection fees, maintenance fees and

18 and 45-33 within areas of the district which are part of an enterprise zone as provided for in  
19 chapter 42-64.3. Within the district, the term "blighted area and substandard area" shall be

21 impairs the use, reuse, or redevelopment of impacted sites.

22 (iii) A municipal public buildings authority as provided for in chapter 45-50.

5 agreements with the city of Providence for:

6 (i) The exercise of powers for tax increment financing as provided for in chapter 45-33.2;

7 (ii) The imposition of impact fees as provided for in chapter 45-22.4 in order to provide

11 district adopted pursuant to § 42-64.14-8.

12 (4) Title and survey adjustments. The commission is authorized to adjust boundary lines,  
13 survey lines and property descriptions of the parcels of land comprising the I-195 surplus land as  
14 may be necessary or appropriate to facilitate or enhance project design plans and for the location  
15 and/or relocation of city streets, utility corridors, easements and rights-of-way.

19 purposes of this chapter and customary terms for commercial real estate transactions of this  
20 nature, and containing the following provisions:

21 (i) The terms for each parcel shall be the fair market value of such parcel at the time of  
22 conveyance as determined by the commission.

23 (ii) As a condition to the sale, lease or other transfer of each parcel or any portion thereof,  
24 any buyer, tenant or transferee that is a not-for-profit, organization or entity that is otherwise  
25 exempt from municipal real estate taxes, including, without limitation, any independent public  
26 instrumentality, governmental or quasi governmental agency, body, division, or official, or any  
27 affiliate or subsidiary thereof, shall have entered into an agreement for payments to the city in  
28 accordance with § 42-64.14-14 relating to tax exempt parcels, or such other things acceptable to  
29 the city.

30 (iii) Promptly after taking title to a parcel, the buyer shall cause such parcel to be  
31 attractively landscaped and maintained for use as green space until such time as development of  
32 the parcel in accordance with this section begins.

33 (iv) Development of the parcels, as appropriate, shall be in accordance with the findings  
34 set forth in this chapter and with the buyer's approved development plan for the identified parcels,

1 as the same may be amended from time to time with the approval of the commission.

2 (v) As a condition to the contract for the sale, lease, transfer or conveyance an approved  
3 development plan shall include a construction schedule that shall commence within twelve (12)  
4 months from the effective date of the contract and all construction shall be complete within three  
5 (3) years from the commencement of said construction unless otherwise amended and approved  
6 by the commission at a duly posted public meeting of the commission.

7 (6) Notwithstanding any provision of this chapter 42-64.14 or any other law to the  
8 contrary, the commission shall exercise all powers authorized by §§ 42-64.14-7 and 42-64.14-8 in  
9 a manner consistent with and subject to the city of Providence comprehensive plan adopted by the  
10 city pursuant to 45-22-2.1 et seq. and the city of Providence zoning ordinances pursuant to 45-24-  
11 27 et seq. as previously enacted by the city of Providence, and as may be enacted and/or amended  
12 from time to time through July 1, 2012, or enacted thereafter with the consent of the commission.

13 (7) Under no circumstances shall the commission establish, authorize, zone, plan, or  
14 permit in the district a so-called "casino" or any form of gambling, including but not limited to  
15 those activities governed by title 41 of the Rhode Island general laws, so-called "video-gambling"

19 the benefit of the city of Providence and the state, is recorded against the subject property  
20 effectuating and memorializing such restriction. The aforementioned restriction shall run with the  
21 land and be binding upon all successors and assign. Any deed restriction conveyed to the state  
22 pursuant to this subsection may be waived only by statute, resolution or other action by the  
23 general assembly which complies with the constitutional requirements for the expansion of  
24 gambling.

25 **42-64.14-18. Inconsistent laws or ordinance inoperative.**

26 Except as otherwise provided herein, any provisions of any special law and part of any  
27 special law and all ordinances and parts of ordinances pertaining to development within the  
28 district which are inconsistent with the provisions of this chapter shall be inoperative and cease to  
29 be effective. The provisions of this chapter shall be deemed to provide an exclusive, additional,  
30 alternative, and complete method for the doing of the things authorized hereby and shall be  
31 deemed and construed to be supplemental and additional to, and not in derogation of, powers  
32 conferred upon the commission by law and on the city by its charter; provided, however, that  
33 insofar as the express provisions of this chapter are inconsistent with the provisions of any  
34 general or special law, administrative order or regulation, or ordinance of the city, the provisions
