APPENDIX

Representative McNamara's constituent's requests:

October 5, 2002

Dear current and future elected officials,

As concerned airport neighbors, we are asking for the following:

- A comprehensive air quality study.
- Escalating the current home buyout program and/or creating a new one.
- A buffer zone around the airport.
- A comprehensive health study.
- Quality of Life component used in decision-making of *RIAC's* 20-year Master Plan. The test results of the air quality and health studies would represent a portion of the quality of life component.

Thank you for listening to our concerns. Please sign below if you support our above requests.
